

# PSYCHOSYNTHESIS LEADERSHIP COACHING WORKSHOP

Facilitated by **Anne Welsh** and **Aubyn Howard**

An introduction to the psychosynthesis modality for leadership coaching and personal development.

A psychology of **love** and **will, hope** and **emergence** for these turbulent times.

Come to this gathering to refresh, learn and grow in a beautiful environment.

We welcome coaches with any level of experience, as well as managers and leaders using a coaching approach. Or anyone who is on a transformational life journey.

Two-day experiential and relational workshop with an additional optional day for exploring the coaching model more deeply.
