Paper titles

Course Paper: Learning reflection (all students)

- Within the context of your personal and professional development journey, reflect upon the relationship between your personal development and your professional practice as a coach during this programme.
- Please reference your reflective journal and include case stories. What have been your learning edges? How does your learning about yourself inform your coaching practice and vice-versa? Who are you becoming as a coach? End with a personal statement (300 words) about who you are now as a coach.
- 2,500 Words (end April/May)

PGC Paper 1: Psychosynthesis coaching

- In your own words, what is meant by psychosynthesis coaching? How does this psychospiritual approach enhance your ability as a coach to work at depth?
- Please make sure you include trifocal vision and the six-session model in your explanation **and r**relate to your own learning journey and professional practice, including case stories.
- 2,500 Words (end December/January)

PGC Paper 2: Psychosynthesis and crisis in leadership

- As a psychology of being, what does psychosynthesis bring to the challenges and crises of leadership within today's organisations and society?
- Please relate to your own learning journey and professional practice, including case stories.
- 2,500 Words (end February/March)

PGCPLC/MA PLC Year 3 – additional elective courses

- 1. Systemic coaching and organisational consulting
- 2. Synthesis and polarity in leadership and organisation
- 3. Team coaching and group facilitation
- 4. Creating a coaching culture within an organisation
- 5. Coaching solopreneurs and portfolio professionals
- 6. Combining coaching with other modalities, e.g. eco, nature, creative, body
- 7. Embodiment, somatic experience and use of self in the coaching space
- 8. Drawing upon recent developments in neuroscience and psychology in coaching
- 9. Setting up and building your coaching practice
- 10. Developing business within corporates and large organisations
